CITY HALL BACKGROUND

FEBRUARY 10, 2025

HOW DID WE GET
HERE?

A NEW CITY HALL HAS BEEN A LONG-STANDING GOAL OF THE CITY

- City hall formerly located at 339 Third Street Site
- Building shared with Hennepin County library and a surface parking lot
- Building was underutilized, increased pressure to expand availability of public parking
- In 2008, the City and Hennepin County discussed the possibility of constructing a new library/city hall building – the County decided to have a standalone library with no city hall component
- City explored options for city hall between 2013-2019

RENEWED INTEREST IN REDEVELOPING THE 339 THIRD STREET SITE

- In 2021, the Council expresses a renewed interest in redeveloping the 339 Third Street property and explores the possibility of partnering with Artspace, which is an organization that develops affordable artist lofts
- The Artspace option is abandoned due to a lengthy and expensive feasibility process
- In 2022, the City issued a Request for Letters of Interest
- Red Leaf Partners is selected as the City's development partner: use to be multifamily, public parking garage, and city hall

RED LEAF'S INITIAL CONCEPT PLANS INCLUDE CITY HALL AS PART OF THE REDEVELOPMENT

BY PRELIMINARY PUD APPLICATION
IT'S DETERMINED THAT THE SPACE
SLATED FOR CITY HALL PROVIDES
MORE VALUE AS A PARK

THE SEARCH FOR A NEW LOCATION

810 EXCELSIOR BOULEVARD

The City purchased the building when the South Lake Minnetonka Police Department moved to its current location.

The City sold the building to 45 North Group in 2020 and is now the River Valley Montessori School.

106 CENTER STREET

The City purchased the building in 2021

In 2024 Minnetonka Center for the Arts entered into a purchase agreement with the City and has until November 2026 to close on the property

301 WATER STREET

In 2021, the City put in an offer to purchase the property

The offer was not accepted

261 SCHOOL AVENUE

In 2022 the City submitted a Letter of Intent to purchase the property

The City and the property owner were unable to agree on a purchase price

471 THIRD STREET

The City explored purchasing the building that is connected to the Congregational Church (the space that is circled in red)

The building is now used by Mis Amigos Preschool

434 LAKE STREET

The building came on the market in 2023. The majority of the Council did not want to submit an offer for the building.

NEXT STEPS

What does the Council want to see in a City Hall? What's most important?

How does the Council want to proceed with finding a location for city hall?

How does the Council want to address the lease on the space that city hall is currently leasing?
